A Pricing Schedule includes the services, the pricing (including discounts and commitments, if applicable), the pricing term (if applicable) and may contain or incorporate by reference other service specific terms and conditions.

Policies. A "policy" means a Company policy that applies in accordance with its terms to any service or service capability within its scope, as may be modified by the Company from time-to-time, including the following:

- The Company's **Privacy Policy**, which can be found at www.harmonytel.com
- The Company's **Acceptable Use Policy**, which is included or referenced in Part 3 of these Terms and Conditions and which can be found at <https://www.harmonytel.com/wp-content/uploads/Internet-Acceptable-Use.pdf>
- The Company's **Network Management Policy or Network Transparency Statement**, which is included or referenced in Part 3 of these Terms and Conditions and which can be found at <https://www.harmonytel.com/wp-content/uploads/Network-Management-Practices-and-Performance.pdf>

Service Contracts. "Service Contracts" means service orders, service contracts, service level agreements, service-specific terms and conditions and similar documents signed by or provided to the customer containing specific descriptions, pricing and other terms and conditions for products, services or service components that are not covered by these Terms and Conditions or that are in addition to or different from these Terms and Conditions.

PRIORITY OF SERVICE PUBLICATIONS

The order of priority of the Company's Service Publications is:

- a. **For prices:** The applicable Pricing Schedule found at (a) the company's website, (b) the Price List in Part 5 of this service catalog; or (c) any service agreement signed by the customer;
- b. **For Terms and Conditions:** any applicable Service Contract, the Company's Policies and these Terms and Conditions; provided that for any regulated services a rule may be first in priority in any jurisdiction where the applicable law or regulation does not permit contract terms to take precedence over inconsistent terms and conditions.

General Terms and Conditions

If a conflict exists among provisions of the Company's Service Publications, such conflicts will be resolved in accordance with the preceding order of priority; provided that specific terms will control over general provisions and negotiated or added terms, conditions or pricing will control over standardized, published or non-negotiated terms, conditions and pricing.

CHANGES TO SERVICE PUBLICATIONS

Unless otherwise provided in your Service Publications, the Company may revise its Service Publications at any time. If the Company revises a Service Publication, the revision has a materially adverse impact on customer, and the Company does not implement revisions that remedy such materially adverse impact within 30 days after receipt of notice from customer, then customer may, as customer's sole remedy, elect to terminate the affected service or service components as provided in Part 1, Section 1.7.

General Terms and Conditions

1.1 APPLICATION OF TERMS

Any adjustment shall apply only if the interruption continues beyond twenty-four (24) hours after first noted by the Company. Adjustment will be made in the form of a bill credit. No other liability shall in any case attach to the Company.
3. Transmitting Messages – Security. The Company does not transmit messages, but offers the use of its facilities, where available, for communications between parties, subject to these Terms and Conditions. Access to and use of any information or data obtained by customer or any user via use of service is at the customer or user's own risk, and the Company is not responsible for the accuracy, reliability or security of such information. No liability shall attach to the Company by reason of any defacement or damage to the customers' property resulting from the existence of the Company's instruments, apparatus and associated wiring on such property, or by the installation or removal thereof, unless such defacement or damage is the result of the negligence of the Company, or its employees.
6. Limitation of Liability. The Company shall not be liable for any damages arising out of or relating to:

 - d. A receipt of deposit will be furnished to each customer from whom a deposit is received. Upon customer request, duplicate receipts will be provided to customers who have lost their receipt if the deposit is substantiated by the Company records.

The Company may discontinue service to any customer failing to pay current bills regardless of the fact that such customer has made a deposit with the Company to secure payment of such bills, or has furnished the Company with a guarantee in writing for such bills.
